About Us:

Kleanmax Pro is a leading provider of cleaning machine rental services, offering a wide range of equipment—from vacuum cleaners to ride-on scrubbers—to industries, malls, commercial spaces, and facility management companies across Chennai, Bangalore, Hyderabad and Visakhapatnam.

Our rental machines are well-maintained, ready-to-use, and come with on-site delivery and pickup. We also offer on-call technical support throughout the rental period, ensuring seamless operations. Machines are equipped with GPS tracking devices to monitor usage, location, and efficiency in real-time. For larger or longer projects, we provide custom rental packages, and where needed, can include standby machines and basic operator training. With flexible rental durations, affordable pricing, and transparent terms, our rental service is designed to deliver both performance and peace of mind.
